

Ohio Administrative Code

Rule 3745-580-525 Closure of a mobile scrap tire recovery facility.

Effective: June 30, 2023

(A) The operator of a mobile scrap tire recovery facility shall conduct closure if any of the following occur:

(1) The operator of the mobile scrap tire recovery facility declares in writing to Ohio EPA that the mobile scrap tire recovery facility will permanently cease operation.

(2) A license issued to the mobile scrap tire recovery facility has expired and a renewal license has not been applied for in the manner prescribed in Chapter 3745-501 of the Administrative Code.

(3) A mobile scrap tire recovery facility license has expired and another license has been applied for and denied as a final action of the licensing authority.

(4) A mobile scrap tire recovery facility license has been revoked as a final action of the licensing authority.

(5) A mobile scrap tire recovery facility registration certificate has been revoked as a final action of the director.

(B) Closure notification requirements. Not later than thirty days after closure is triggered in accordance with paragraph (A) of this rule, the operator of the mobile scrap tire recovery facility shall complete the following closure activities:

(1) Notify all customers by certified mail or any other form of mail accompanied by a receipt that the mobile scrap tire recovery facility is no longer operating.

(2) Submit a closure notification that includes the mobile scrap tire recovery facility's closure contact person's name, address, and telephone number to the following entities:

- (a) The board of health.

- (b) The appropriate Ohio EPA district office for the county in which the facility is located.

- (3) Submit to Ohio EPA a final annual report that includes the information specified in rule 3745-580-515 of the Administrative Code.

- (C) Closure certification. Not later than thirty days after completing the closure requirements contained in paragraph (B) of this rule, the operator of the mobile scrap tire recovery facility shall submit a written closure certification to Ohio EPA stating that the specifications paragraph (B) have been met and request that the director release financial assurance in accordance with rule 3745-503-05 of the Administrative Code.

- (D) Closure of the mobile scrap tire recovery facility shall be deemed complete when the operator receives written concurrence with the closure certification from Ohio EPA.
