

Ohio Administrative Code Rule 3745-65-12 Required notices.

Effective: [March 7, 2025](#)

(A) The owner or operator of a facility that is arranging or has arranged to receive hazardous waste subject to 40 CFR Part 262 subpart H from a foreign source shall comply with 40 CFR 265.12(a).

[Comment: The exercise of foreign relations and international commerce powers is reserved to the federal government under the U.S. Constitution. These responsibilities are not delegable to the states. Therefore, the importation and exportation of hazardous waste into and out of the United States is solely regulated by the federal government.]

(B) Before transferring ownership or operation of a facility during the facility's operating life, or of a disposal facility during the post-closure care period, the owner or operator shall notify the new owner or operator in writing of the requirements of Chapters 3745-50 and 3745-65 to 3745-69 and 3745-256 of the Administrative Code. (See also rule 3745-50-51 of the Administrative Code.)

[Comment: An owner's or operator's failure to notify the new owner or operator of the requirements of Chapters 3745-65 to 3745-69 and 3745-256 of the Administrative Code does not relieve the new owner or operator of the obligation to comply with all applicable requirements.]

[Comment: For dates of non-regulatory government publications, publications of recognized organizations and associations, federal rules, and federal statutory provisions referenced in this rule, see rule 3745-50-11 of the Administrative Code titled "Incorporated by reference."]
