

## Ohio Administrative Code Rule 3745-66-73 Management of containers.

Effective: January 7, 1983

---

(A) A container holding hazardous waste shall always be closed during storage, except when it is necessary to add or remove waste.

(B) A container holding hazardous waste shall not be opened, handled, or stored in a manner which may rupture the container or cause it to leak.

[Comment: Reuse of containers in transportation is governed by United States department of transportation regulations, including those set forth in 49 CFR Section 173.28.]
