

## Ohio Administrative Code Rule 3745-66-73 Management of containers.

Effective: [October 23, 2022](#)

---

(A) A container holding hazardous waste shall always be closed during storage, except when it is necessary to add or remove waste.

(B) A container holding hazardous waste shall not be opened, handled, or stored in a manner which may rupture the container or cause the container to leak.

[Comment 1: Reuse of containers in transportation is governed by United States department of transportation regulations, including those in 49 CFR 173.28.]

[Comment 2: For dates of non-regulatory government publications, publications of recognized organizations and associations, federal rules, and federal statutory provisions referenced in this rule, see rule 3745-50-11 of the Administrative Code titled "Incorporated by reference."]
