

## Ohio Administrative Code

### Rule 3745-88-02 Disadvantaged community loans.

Effective: January 15, 2026

---

(A) Application requirement. Only applicants who are on the project priority list or have submitted a nomination to be on the project priority list by the nomination deadline specified by the director are eligible for disadvantaged community loan assistance for a given program year.

(B) Determination criteria for disadvantaged communities. An applicant may be deemed a disadvantaged community for the purposes of this chapter based on factors set forth by the director in the program management plan for the relevant program year, which can include, without limitation, economic affordability, median household income, population, and poverty rate.

(C) Loan assistance for disadvantaged communities. The terms and conditions of all disadvantaged community loan assistance, including but not limited to the amount, form, and duration of each award of disadvantaged community loan assistance, are to be determined by the director .
