

## Ohio Administrative Code

### Rule 3745-89-07 Laboratory certificate property of state; display.

Effective: July 7, 2025

---

(A) A laboratory certificate issued under this chapter is only valid in the laboratory for which the certificate was issued. The certificate shall be displayed at all times in a prominent location in the laboratory for which the certification was issued.

(B) When an analyst leaves a laboratory, the agency's laboratory certification section shall be notified and the analyst's certificate shall be destroyed.
