

## Ohio Administrative Code

### Rule 3769-15-02 Entry licensing requirements.

Effective: January 8, 2026

---

No horse may be permitted to race in this state unless the owner, trainer, and driver shall have been granted a current license by the commission or shall have made application for a license accompanied by the proper fee as prescribed in rule 3769-2-24 of the Administrative Code and which application shall not have been rejected. It shall be the duty of the racing secretary to enforce this rule.
