

## Ohio Administrative Code

### Rule 3769-15-04 Entry in name of all owners and proof of ownership.

Effective: January 8, 2026

---

(A) Every entry must be in the name of a person having an ownership interest in the horse and must be made in writing or by computerized method authorized by the commission by such owner, their trainer or by the authorized agent of either. The authorized agent must be licensed at the time the entry is received by the race office.

(B) The judges may call upon any person making entry to prove the extent of their interest in the horse or its winnings or to give proof that the horse entered is not the property, wholly or in part, of any person who is disqualified. If unsatisfied with the proof tendered, they may declare the horse out of the race.

(C) The judges may penalize any failure to comply with this rule and may disqualify any horse which races after being entered in violation of this rule.
