

Ohio Administrative Code Rule 3769-7-32 Jockey suspension.

Effective: [June 7, 2026](#)

- (A) If a jockey is suspended for any reason other than fraud or attempted fraud, he shall complete the day's engagements unless the stewards rule otherwise. A jockey under suspension in any state or foreign country shall not be permitted to ride and may be denied access to the grounds during the period of their suspension.
- (B) The stewards appointed for a race meeting shall immediately, prior to the commencement of that meeting, designate the stakes, futurities or futurity trials or other races in which a jockey will be permitted to compete, notwithstanding the fact that such jockey is technically under suspension for ten days or less for a riding infraction at the time the designated race is to be run.
- (1) Official rulings for riding infractions of ten days or less shall state: "The term of this suspension shall not prohibit participation in designated races."
 - (2) A listing of the designated races shall be posted in the jockeys' room and any other such place deemed appropriate by the stewards.
 - (3) A suspended jockey must be named at time of entry to participate in any designated race.
 - (4) A jockey participating in only one designated race while on suspension shall count as a suspension day. If a jockey participates in more than one designated race on a suspension day, their suspension shall be extended one day.
