

Ohio Administrative Code

Rule 3772-1-06 Minimum licensure requirements.

Effective: September 26, 2020

(A) The commission shall issue a license under Chapters 3772. and 3774. of the Revised Code, for not more than three years, if the applicant has demonstrated their suitability for licensure by clear and convincing evidence and all other requirements under that chapter and the rules promulgated thereunder have been satisfied.

(B) No license issued under Chapter 3772. or 3774. of the Revised Code or any administrative rule promulgated thereunder establishes a minimum educational or experiential requirement for licensure.

(C) Consideration of natural-person licensure for service members, veterans, or spouses or surviving spouses of service members will be tracked, prioritized, and expedited. To do so, the commission will collect information from service members, veterans, or spouses or surviving spouses of service members or veterans who are seeking natural-person licenses issued by the commission.
