

Ohio Administrative Code

Rule 3772-11-04 Prohibition on table game play by casino operator employees and gaming-related vendors.

Effective: April 29, 2017

No holder of a gaming-related vendor license or any director, officer, employee, or any other agent of a gaming-related vendor shall play or be permitted to play at a table game in a casino facility to which the gaming-related vendor provides its goods or services.
