

Ohio Administrative Code Rule 3772-11-34 Table game layouts.

Effective: January 1, 2021

All table game layouts shall be meet the following requirements:

- (A) Markings on the layout shall be of a size that can be adequately seen by the surveillance;
 - (B) The odds of winnings and payouts shall be included in markings on the layout when required by the executive director;
 - (C) The designs shall not contain any feature that tends to create a distraction from the game;
 - (D) All other components of the game on the layout shall be of a size that can be adequately seen by surveillance; and
 - (E) A colored depiction of the table shall be submitted to the executive director for approval before being placed into play.
-
