

## Ohio Administrative Code Rule 3772-20-05 Emergency operations plan.

Effective: April 29, 2017

---

(A) The casino operator's director of security shall maintain an emergency operations plan, including evacuation procedures, to deal with the following at the casino facility:

- (1) The discovery or threat of an explosive device;
- (2) A fire or fire alarm;
- (3) A terrorist threat;
- (4) Severe storms or other acts of nature;
- (5) The threat or use of a firearm or any other weapon;
- (6) Any major civil disturbance or riot; and
- (7) Any other event for which the commission determines that prior planning is necessary.

(B) The casino operator's emergency operations plan shall have the safety of people at the casino facility as the first priority and shall include, but not be limited to, a communication plan with local emergency responders, training for all of its staff, and digital video recording procedures.

(C) The casino operator's director of security, shall ensure that the commission's staff and gaming agents at the facility are notified of any emergency situation at the time the emergency arises.
