

Ohio Administrative Code

Rule 4121-15-04 Posting, distribution and employee acknowledgement and receipt.

Effective: February 1, 2019

(A) The "Code of Ethics for the Bureau of Workers' Compensation and Industrial Commission" shall be posted in a conspicuous place in every office of the bureau and commission.

(B) A copy of this code of ethics shall be distributed to each employee. After two weeks from such receipt each employee will certify that the employee has received and read this code. The certification shall be placed in the employee's personnel file.
