

Ohio Administrative Code

Rule 4121-3-01 Office locations, office hours, and scope of rules.

Effective: [March 25, 2023](#)

(A) Service offices of the industrial commission shall be located in cities as determined by the industrial commission.

(B) At the direction of the chairperson, each office will be open during posted hours of operation, holidays excepted, for the receipt and filing of claim applications or any other documents and for the transaction of any business pertinent to the administration of the workers' compensation law.

(C) All rules shall apply to the bureau and the commission.
