(B) Except as provided for in paragraph (D) of this rule, the bureau of workers' compensation shall limit the increase in EM of an employer meeting the eligibility requirements of this rule to twenty-five per cent of the initial EM calculated for that employer in the preceding rating year if the employer is either individually experience rated or base rated in both the current and preceding rating years for any policy years for private employers beginning July 1, 2023 and ending June 30, 2027 or for any policy years for public employer taxing districts beginning January 1, 2023 and ending December 31, 2027.

(D) An employer removed from the EM cap program for failure to meet the criteria set forth in paragraph (C)(3) of this rule will be rerated for the full policy year at the employer's base rate or experience-modified rate as determined by the employer's expected losses for the policy year.
