

Ohio Administrative Code

Rule 4123-17-33.1 Public employer taxing districts experience rating table.

Effective: January 1, 2021

The administrator of workers' compensation, with the advice and consent of the bureau of workers' compensation board of directors, has authority to calculate contributions made to the state insurance fund by employers pursuant to section 4121.121 of the Revised Code. The administrator hereby sets the public employer taxing district experience rating table part A, "credibility and maximum value of a loss," to be effective January 1, 2021, for public employer taxing districts as indicated in appendix A to this rule.
