### Rule 4123-17-35 Public employer state agency contribution to the state insurance fund.

Effective: July 1, 2025

---

The administrator of workers' compensation, with the advice and consent of the bureau of workers' compensation board of directors, has authority to approve contributions made to the state insurance fund by employers pursuant to sections 4121.121, 4123.39, and 4123.40 of the Revised Code. For the purpose of collecting amounts to cover the payment of costs to the managed care organizations (MCO) that manage the claims of state agencies, including state universities and university hospitals, the administrator has authority to include that expected cost in establishing the combined contribution rate of the state insurance fund. The administrator hereby sets the combined contribution rates per one hundred dollar unit of payroll to be effective July 1, 2025, applicable to the payroll reporting period July 1, 2025, through June 30, 2026, for public employer state (PES) agencies, including state universities and university hospitals, as indicated in the appendix to this rule.
