

Ohio Administrative Code

Rule 4141-16-02 Agreement between department of job and family services and requesting agency.

Effective: November 12, 2018

The director shall enter into specific written agreements with the appropriate authorized agencies.

The agreements shall include but need not be limited to the following:

- (A) The purposes for which requests will be made and the specific information needed;
 - (B) Identification of all agency officials by position, with authority to request information;
 - (C) Methods and timing of the requests for information, including the approved format to be used, and the period of time needed to furnish the requested information;
 - (D) Basis for establishing the reporting periods for which information will be provided;
 - (E) Provisions for determining appropriate reimbursement from the requesting agency for the costs incurred, including any new developmental costs associated with furnishing data to the requesting agency.
-
