

Ohio Administrative Code

Rule 4161-1-03 Filing of documents.

Effective: [May 10, 1958](#)

Each notice of appeal, application or other document to be filed with The Underground Gas Storage Board of Review shall be filed in the official office of the Board. Such filing means the actual delivery to the office of said notice of appeal, application or other document. If an appellant uses the United States Mail as a means of perfecting an appeal, he assumes the risk that the document may be lost or that delivery thereof to The Underground Gas Storage Board of Review may be delayed beyond the final filing date.
