

Ohio Administrative Code

Rule 4301:1-1-15 Permits, cancellation of.

Effective: August 8, 2005

The division may cancel liquor permits, without refund, pursuant to a voluntary request by the permit holder. Any request for cancellation must be made by the permit holder, a majority of the members of a partnership, by a majority of the managing members of a limited liability company, or by certified resolution of the corporation pursuant to section 1701.76 of the Revised Code. Cancellation of a permit does not preclude the liquor control commission's authority to hear cases and issue orders with regard to the permit. The division will notify the permit holder of the effective date of the cancellation.
