

## Ohio Administrative Code

### Rule 4301:1-1-20 Permits (manufacturers and distributors) - reinspection after suspension.

Effective: May 16, 2021

---

If a liquor permit is suspended due to conditions existing within, upon, or about the permit premises or equipment, prior to reinstatement of the permit, the division may re-inspect the premises to determine if such conditions have been corrected.

The provisions of this rule shall also be applicable to persons whose consent to import alcoholic beverages into Ohio has been revoked, cancelled, or refused by the division due to conditions existing within, upon, or about the premises of such person.
