

Ohio Administrative Code

Rule 4301:1-1-62 Inspection of permit premises - hindering or assaulting forbidden.

Effective: May 7, 2012

A liquor permit holder, their agent, or employee shall, upon presentation of credentials by a compliance officer of the division of liquor control, enforcement agent of the department of public safety, or any officer of the law, at all times, immediately admit such compliance officer, enforcement agent, or officer to the permit premises for any lawful purpose.

No liquor permit holder shall personally or by an agent or employee assault a compliance officer of the division of liquor control, enforcement agent of the department of public safety, or officer of the law, or incite an assault by others upon such compliance officer, enforcement agent, or officer, or allow patrons or others to interfere with an inspection or investigation of the permit premises.
