

## Ohio Administrative Code

Rule 4301:1-1-74 Regulates and stabilizes the manner of distributing and selling bottled wine within the state.

Effective: May 16, 2021

---

This rule is promulgated pursuant to the provisions of section 4301.13 of the Revised Code, to regulate and stabilize the manner of distributing and selling bottled wine within the state.

(A) This rule shall apply to all sales of wine by A-2, A-2f, B-2, B-2a, and B-5 permit holders.

(B) Every person selling wine to a retail permit holder in less than case lots of the same bottle size, type, and kind of wine, shall collect from the retail permit holder a minimum cash amount of twenty-five cents for each single bottle sold.

(C) Every person selling wine to a retail permit holder shall state on the memorandum of sale and on all other records of sale the quantity and size of bottles sold in less than case lots and the cash amount charged per sale.
