

## Ohio Administrative Code

### Rule 4501-23-28 Eye test.

Effective: May 4, 2002

---

A person applying for a motorized bicycle license shall submit to a vision test. Such test shall be identical to the vision test administered to applicants for a driver's license issued under Chapter 4507. of the Revised Code, and shall be subject to the same testing, grading, and re-testing requirements as are applicable to driver's license applicants.
