Rule 4501-53-14 Basic riding skills for returning rider.

Effective: July 1, 2022

[Comment: For dates and availability of material incorporated by reference in this rule, see rule 4501-53-16 of the Administrative Code.]

(A) The basic riding skills-returning rider (BRS-RR) curriculum and sequence shall be validated by motorcycle Ohio and approved by the director and shall, at a minimum, include instruction based upon the national standards and instill in the student the knowledge, attitudes, habits and skills necessary for the safe operation of a motorcycle on the roadway.

(B) The content and organization of the BRS-RR shall be based upon the national standards and the course curriculum and requirements will be formalized in the motorcycle Ohio policy and procedure manual.

(C) The course must include an on-cycle skill test approved by the director.

(D) The BRS-RR shall have the following instructor to student ratio:

(1) Classroom - one instructor may teach a maximum of twenty-four registered students;

(2) Range - one instructor may instruct no fewer than two students nor more than six students on motorcycles. Two instructors shall instruct no more than twelve students on motorcycles;

(3) The maximum capacity for on-cycle instruction is twelve students.

(E) Students shall have a valid TIPIC, a motorcycle endorsement, or a motorcycle-only license prior to participating in range instruction.

(F) Unless otherwise approved by the department, the BRS-RR shall use training motorcycles provided by the provider with 100cc to 500cc engine displacement.

(G) Every student participating in the BRS-RR range instruction must wear proper riding gear.

(H) Students successfully completing the BRS-RR shall be issued a completion certificate.

(I) Upon completion of the BRS-RR, the provider shall submit, electronically, to the department, any course paperwork as requested by the department including a properly signed course waiver and retained on file for three years.
