

Ohio Administrative Code

Rule 4501-7-36 Inspections and investigations of CDL schools.

Effective: October 8, 2009

Every place used as an office or classroom by a driver training enterprise shall be subject to inspection and/or investigation by the director during reasonable hours. Inspections and investigations may include, but are not limited to, inspecting and investigating any and all records, facilities, classroom instruction, behind-the-wheel instruction, and vehicles used for behind-the-wheel instruction. The enterprise's authorizing official or the school's training manager shall make school records, student records, vehicles, and facilities required by this chapter of the Administrative Code available to the director for inspection. The training manager or authorizing official shall, upon the director's request, produce any records for copying. Such records shall be promptly returned to the school.
