

Ohio Administrative Code Rule 4501:1-1-17 Restricted license.

Effective: April 10, 2016

The opinion of the registrar as contemplated in division (D)(3) of section 4507.08 of the Revised Code, shall be based upon any information received by the registrar from:

- (A) A federal, state or local police authority;
 - (B) A licensed physician, hospital, institution, licensed psychologist, or certified alcohol counselor;
 - (C) The Ohio department of health;
 - (D) The Ohio industrial commission;
 - (E) A public or private health institution;
 - (F) A federal or state court which indicates that the person may be physically or mentally unable to safely operate a motor vehicle on the highways of the state of Ohio due to an addiction or dependence on alcohol or a controlled substance.
-
