

## Ohio Administrative Code

### Rule 4501:1-8-01 Entry into international registration plan.

Effective: April 29, 2007

---

The registrar of motor vehicles has entered into the international registration plan, an agreement providing for the payment beginning March 1, 1991, of taxes and fees on an apportioned basis with other jurisdictions. The operator of a fleet of vehicles based in any of the member jurisdictions may register the operator's fleet under this agreement.
