

Ohio Administrative Code

Rule 4501:1-8-12 Credits for unused portion of vehicle registration.

Effective: [March 1, 2017](#)

(A) Credit for the unused portion of the registration of an apportioned vehicle which has been deleted from a fleet may be applied to a replacement vehicle in the same fleet per the fee schedules of all apportioned jurisdictions, provided the credit is used within the same registration year. Credits exceeding the replacement vehicle's fee per the fee schedules of all apportioned jurisdictions are not eligible for refund.

(B) Ohio will allow an error variance not to exceed five dollars per individual carrier account when transmitting funds between jurisdictions.
