

Ohio Administrative Code Rule 4713-1-02 Appointing authority.

Effective: February 21, 2019

The administrative agency concerned with the practice of cosmetology and barbering shall be headed by the executive director of the board. The executive director shall operate as the appointing authority and chief administrator of the board's daily transactions in accordance with all rules and/or policies established by the board for the governing of the board, and for the implementation or enforcement of rules and orders of the board.
