

Ohio Administrative Code

Rule 4713-1-08 Chemicals, equipment and service approval.

Effective: [May 30, 2022](#)

The use of all chemicals in the provision of any cosmetology or barber service, and any equipment or implements in the provision of any cosmetology or barber service is subject to the approval of the board to ensure the health and safety of licensees, boutique services registration holders, permit and certificate holders, and patrons.
