

Ohio Administrative Code

Rule 4713-1-18 Boutique services registration education.

Effective: [March 21, 2022](#)

(A) Individuals applying for a boutique service registration are required to submit proof of completing the equivalent of an Ohio tenth grade education per ORC 4713.69

(B) Notwithstanding the provisions of paragraph (A) of this rule, the board may grant an education waiver under the following conditions

(1) The individual filing the application received their primary or secondary education outside of the United States and cannot provide proof of education;

(2) The individual filing the application resided outside of the United States and did not receive an equivalent education

(C) A board-provided waiver application is made by the individual applying for the registration
