

Ohio Administrative Code

Rule 4713-11-05 Restrooms.

Effective: February 21, 2019

All salon or barber shop facilities shall be equipped with at least one restroom, including a toilet and hand-washing sink with hot and cold running water. The restroom shall be kept clean and functional at all times. The restrooms shall have a soap dispenser, solid waste containers with solid sides or liner, and a paper towel dispenser or equipment for hand-drying. Salons located in a mall, office building, nursing home, or other location with available public restrooms are excepted from the requirement to have a separate restroom located in the salon or barber shop, if a restroom that is clean and functional is nearby and available for use without objection by the owner of the restroom.
