

Ohio Administrative Code Rule 4713-19-08 Resident tanning facilities.

Effective: [March 21, 2022](#)

(A) A tanning facility may be located in a residence, provided the tanning facility shall have an entrance to the outside separate from the living quarters or garage of the residence. If the tanning facility has doors within its interior that allow access into the living quarters, garage, or basement of the residence, the doors shall be solid, have a wood frame or other solid frame, shall be able to be secured, and shall be kept closed during the time when the tanning facility is open for business. The tanning facility shall also be equipped with at least one restroom, which must include a toilet and a sink with running water, that is separate from the living quarters, garage, and basement of the residence.

(B) Residential tanning facilities shall be subject to all laws of Chapter 4713. of the Revised Code and the rules promulgated under it in order to obtain and maintain a permit, and shall comply with all licensure and operating requirements prescribed in this chapter for tanning facilities.
