

Ohio Administrative Code

Rule 4713-8-11 Standards relating to competent practice as a boutique services registration holder.

Effective: January 13, 2017

(A) A boutique registration holder shall provide boutique services within a salon where the license is current and active as set forth in section 4713.01 of the Revised Code and the rules of the board.

(B) A boutique registration holder shall maintain knowledge of the duties, responsibilities, and accountabilities of practice, and shall practice in accordance with the following:

(1) The laws regulating the practice of boutique services;

(2) The rules of the board;

(3) Any other applicable federal, state and local laws and rules; and

(4) Position statements, standards for practice, or guidelines for practice from any applicable nationally recognized professional entities associated with boutique services; provided these statements, standards, or guidelines are consistent with existing laws or rules.

(C) A boutique registration holder shall demonstrate competence and accountability in all areas of practice in which the boutique registration holder is engaged. This includes, but is not limited to, the following:

(1) Consistent performance of all aspects of boutique services according to acceptable and prevailing standards, and

(2) Appropriate recognition, referral or consultation, and intervention, when a complication arises during or after the performance of a specific service or procedure.

(D) Boutique registration holders shall not provide any service that claims to have a medical or healing benefit. The scope of practice is limited to braiding, threading, or shampooing as set forth in
