

## Ohio Administrative Code

### Rule 4717-14-12 Investigation of reimbursement claims.

Effective: January 6, 2018

---

(A) The board shall enforce, or cause to be enforced, section 4717.41 of the Revised Code or any rules adopted thereunder and take such action as it considers appropriate.

(B) A claim for reimbursement shall be submitted to the board and the board shall investigate all application claims for reimbursement.

(C) The board may inspect, copy, or retain any record relevant to the claim for reimbursement and examine the affairs of any funeral director actually in charge or funeral home whenever it is deemed appropriate to do so. The board may request additional documentation relevant to the claim for reimbursement.
