

## Ohio Administrative Code

### Rule 4723-16-12 Request to address the board regarding a hearing.

Effective: February 1, 2016

---

(A) A representative of record may be permitted to address the board at the time of the boards consideration of the report and recommendation, provided that prior to addressing the board, the representative of record has filed a written request with the board not less than seven days before the board meeting.

(B) If a representative of record addresses the board, the opposing representative of record shall also be given an opportunity to address the board. The representative of record who submitted a request to address the board first shall make the initial presentation before the board, and if both parties submit a request on the same date, the respondent of record for the state of Ohio shall make the initial presentation.

(C) Each representative of record who addresses the board shall be given not more than seven minutes in which to do so. The representative of record may request that time for rebuttal be deducted from their allotted time.
