

## Ohio Administrative Code

### Rule 4723-25-01 Purpose of nurse education grant program.

Effective: February 1, 2015

---

The board shall award grants to nurse education programs that have partnerships with health care facilities, community health agencies, patient centered medical homes or other education programs to establish or support partnerships that will increase the enrollment capacity of the nurse education programs. Methods of increasing a program's enrollment capacity may include hiring faculty and instructional personnel or purchasing educational equipment and materials if the grant applicant can clearly demonstrate that additional faculty and instructional personnel, or equipment and materials, are directly related and necessary to increasing the enrollment capacity of the nurse education program.
