

Ohio Administrative Code

Rule 4723-6-04 Successful completion of the alternative program for chemical dependency.

Effective: February 1, 2021

(A) A participant successfully completes the program when the participant complies with the terms and conditions of the program specified in section 4723.35 of the Revised Code, this chapter, and the participant's agreement for the time period specified in the agreement.

(B) When a participant successfully completes the program as indicated in paragraph (A) of this rule, the program shall notify the participant of such successful completion in writing. Once the participant receives this written notification of successful completion from the program, the participant shall no longer be required to comply with the terms and conditions of the program specified in section 4723.35 of the Revised Code, this chapter, and the participant's agreement.

(C) When making a decision regarding disciplinary action for violations of Chapter 4723. of the Revised Code or the rules of the board, the board will be notified by a written communication from board staff, marked as confidential according to division (F) of section 4723.35 of the Revised Code, if the individual who is the subject of proposed board action previously successfully completed the program.

(D) A participant who successfully completes the program shall not be reported to the national council of state boards of nursing's disciplinary data bank or the federally mandated national database unless the board imposes disciplinary action against the participant.
