

Ohio Administrative Code

Rule 4729:10-1-04 Procedure for destruction of collected drugs.

Effective: August 1, 2019

(A) All drugs collected pursuant to this rule shall be destroyed in compliance with applicable federal, state, tribal, and local laws and regulations and shall be rendered non-retrievable.

(B) The method of destruction shall ensure that the confidentiality of the ultimate user is maintained pursuant to applicable state and federal laws, rules, and regulations.
