

Ohio Administrative Code

Rule 4734-5-02 Board relationship with the council on chiropractic education.

Effective: December 25, 2025

(A) The board may accept the council on chiropractic education's (hereinafter "CCE") designation of "accredited doctor of chiropractic program" and grant board approval of those programs for graduates to be eligible for Ohio licensure.

(B) The board may revoke approval from an accredited doctor of chiropractic program if the "CCE" removes accreditation for the program. Any such revocation must comply with the hearing requirements of Chapter 119. of the Revised Code.
