

## Ohio Administrative Code

### Rule 4741-1-11 Form and content of continuing education hours.

Effective: June 10, 2019

---

(A) The following programs designed to directly enhance the veterinarian's or veterinary technician's knowledge and skill in providing services relevant to the veterinary profession shall be approved for continuing education hours:

(1) All medical programs of the American veterinary medical association (AVMA), its constituent organizations and its recognized specialty groups and accredited veterinary medical institutions whose meetings impart educational material directly relating to veterinary medicine;

(2) All medical programs of state veterinary medical associations or veterinary technician associations;

(3) Medical programs which are approved by the registry of the approved continuing education (RACE) of the American association of veterinary state boards (AAVSB); and

(4) All medical programs approved by the board, not associated with RACE or AVMA and its suborganizations.

(B) All veterinarians and registered veterinary technicians may acquire medical continuing education hours from national, state, and local seminars, programs, meetings, laboratory, course studies and/or online courses. Online courses shall not exceed six hours.

(C) Non-medical practice management/professional development continuing education includes subject matter that helps make veterinary medical professionals more competent and capable in serving the public interest in the delivery of veterinary services but which is not necessarily medical or clinical in nature. It can include but may not be limited to business management, regulatory compliance, jurisprudence, skills-based training in instrumentation, medical records, software management, communication, and veterinary ethics. Programs in wellness addressing mental health issues, such as compassion fatigue, burnout, and suicide ideation may qualify in this category.

(D) All veterinarians and registered veterinary technicians may acquire practice management/professional development continuing education hours from national, state, and local seminars, programs, meetings, laboratory, course studies, professional journals and/or online courses. Continuing education through professional journals shall not exceed two hours.

(E) Veterinarians must report thirty hours of continuing education per renewal. Of the required hours, at least twenty hours must be approved medical and directly related to the practice of veterinary medicine. No more than ten hours may be in practice management/professional development.

(F) Registered veterinary technicians must report ten hours of continuing education per renewal. Six hours must be approved medical and directly related to the practice of veterinary medicine. No more than four hours may be in practice management/professional development.

(G) A licensed veterinarian or registered veterinary technician applying for an initial renewal is not required to complete the continuing education requirements but shall certify that they graduated within that biennium of the renewal period.

(H) Due to prolonged or extenuating illnesses or emergencies, alternative requirements for continuing education will be determined on a case by case basis. A request for waiver must be submitted to the board with documentation of the illness or emergency within thirty days of submission of a license or registration renewal.

(I) Prior to the expiration of a biennial license or registration on March first, the executive director shall cause to be sent in January of the renewal year, a "Notice For Renewal Application" for a renewal cycle of the licensed veterinarian or a registered veterinarian technician. For the veterinarian holding a limited license, the executive director shall cause the biennial license renewal application to be sent in May of the odd numbered year. Renewal applicants must certify completion of required continuing education at the time of renewal.
