

Ohio Administrative Code

Rule 4753-10-01 Educational requirements for student permit.

Effective: December 10, 2007

To be eligible for a speech-language pathology student permit, an applicant must have met the following:

(A) He/she has completed one year (three semesters or four quarters) of study in a speech-language pathology graduate program at an Ohio college or university. The appropriate course work must be consistent with the population to be served and work setting to which the student will be assigned.

(B) He/she has completed no less than twenty-five hours of observation and seventy-five hours of student clinical experience to be consistent with the population to be served and work setting.

Competencies must be demonstrated and documented with the population to be served and work setting to which the student will be assigned.
