

Ohio Administrative Code

Rule 4755:1-1-06 Occupational therapy compact privileges.

Effective: August 21, 2025

- (A) As required by section 4755.14 of the Revised Code, the occupational therapy section shall comply with all by laws, rules, and administrative regulations of the occupational therapy compact commission.
- (B) Pursuant to section 4.A.9. of the compact in section 4755.14 of the Revised Code, all occupational therapy compact privilege applicants seeking to obtain a compact privilege in Ohio are also required to successfully pass the Ohio occupational therapy jurisprudence examination prior to practicing in the state of Ohio.
- (C) The Ohio occupational therapy jurisprudence examination is required prior to renewal of a compact privilege to continue practicing occupational therapy in Ohio, except that the jurisprudence examination is not required for the first renewal of the compact privilege.
- (D) Practicing occupational therapy in Ohio prior to passage of the Ohio occupational therapy jurisprudence examination may result in disciplinary action, including termination of the applicant's compact privilege.
-
