

Ohio Administrative Code Rule 4755:3-1-02 Examination requirements.

Effective: October 11, 2024

(A) An applicant satisfies the examination requirements for an Ohio athletic training license by completing both of the following:

(1) Verification from the board of certification, inc. (BOC) or its successor that the applicant passed their certification exam; and

(2) Achievement of a score of at least ninety per cent on the Ohio athletic trainers jurisprudence examination.

(B) The BOC examination may be waived for any person who was certified as an athletic trainer by the national athletic trainers association prior to June 28, 1990.
