

## Ohio Administrative Code

### Rule 4755:4-1-09 Unique and exceptional qualifications.

Effective: May 27, 2024

---

(A) "Unique and exceptional qualifications" as used in division (A) of section 4779.08 of the Revised Code means education, training, or experience that qualify a person to perform orthotic or prosthetic care outside of the traditional pathway outlined in section 4779.10, 4779.11, 4779.12, or 4779.17 of the Revised Code.

(B) The occupational therapy, physical therapy, and athletic trainers joint board will determine whether a person is uniquely and exceptionally qualified on a case-by-case basis based on the information supplied by the applicant and other information deemed relevant by the board. The joint board shall consult with a member of the orthotics, prosthetics, and pedorthics advisory committee in determining whether an applicant meets the unique and exceptional qualifications.

(C) Applicants may apply for licensure by unique and exceptional qualifications via one of the following paths:

(1) Experiential

(a) Applicants with at least two years within the five years before license application submission of extensive orthotic or prosthetic experience, including spending seventy-five per cent of work time providing direct patient care, in the discipline for which they have applied. Applicants must have experience doing evaluation, casting, model rectification, fitting, delivery, and follow-up of custom fabricated devices. Applicants must demonstrate proof of fifty continuing education hours within the five years prior to submission of application. The board will accept as continuing education units all courses approved by the board for orthotist/prosthetist certification (BOC), and the American board for certification in orthotics, prosthetics, and pedorthics (ABC). The board will also accept continuing education units as specified by section 4779.24 of the Revised Code; or

(b) Applicants with at least two years within the five years before license application submission of extensive orthotic and prosthetic experience, including spending seventy-five per cent of work time

providing direct patient care, when applying to be a licensed prosthetist-orthotist. Applicants must have experience doing evaluation, casting, model rectification, fitting, delivery, and follow-up of custom fabricated devices. Applicants must demonstrate proof of seventy continuing education hours within the five years prior to submission of application. The board will accept as continuing education units all courses approved by the board for orthotist/prosthetist certification (BOC), and the American board for certification in orthotics, prosthetics, and pedorthics (ABC). The board will also accept continuing education units as specified by section 4779.24 of the Revised Code.

(2) Applicants who meet the academic requirements described in division (A)(3) of section 4779.10 of the Revised Code, division (A)(3) of section 4779.11 of the Revised Code, division (A)(3) of section 4779.12 of the Revised Code, or division (A)(3) of section 4779.17 of the Revised Code, but have not completed a professional clinical residency meeting national commission on orthotic and prosthetic education requirements. These applicants shall submit proof of at least two years of applicable orthotic or prosthetic experience within the five years before application that was obtained under supervision of a licensed or certified orthotist or prosthetist in the discipline for which they have applied.

(D) In addition to the requirements described in paragraph (C) of this rule, an applicant must submit:

(1) Two letters of recommendation to the board demonstrating qualifications for licensure; and

(2) Proof of current and unrestricted active certification from either BOC or ABC.

(E) Any applicant applying for licensure under paragraph (C)(2) of this rule must comply with rule 4755-63-14 of the Administrative Code.
