

Ohio Administrative Code

Rule 4757-18-02 Approval of applications for licensure as an art therapist.

Effective: July 1, 2024

(A) Applications that meet the basic requirements as detailed below shall be approved upon receipt of all applicable parts.

(B) Applications for a professional art therapist license that meet the basic requirements for licensure in section 4757.24 of the Revised Code and rules 4757-1-04 and 4757-18-01 of the Administrative Code shall be approved if the following conditions are met:

(1) A complete application for professional art therapist per rule 4757-1-04 of the Administrative Code is received with no questions requiring additional review by the art therapist professional standards committee "APSC" such as felony convictions, loss of license in another state, or other adverse factors.

(2) If required by the board, transcript(s) from an accredited educational institution of a master's or doctoral degree in professional counseling that meets paragraph (A) of rule 4757-13-01 of the Administrative Code.

(3) Proof of passing an examination acceptable to the APSC for the purpose of determining ability to practice as a professional art therapist.

(C) Applications that meet the following conditions shall be prepared for the next APSC meeting, if received at least ten days prior to the meeting. Additional documentation is required from applicants concerning the issues delineated below to provide the information needed for the APSC to complete its review and approval.

(1) All applications that have answered questions such that a more detailed review by the APSC is required such as felony convictions, loss of license in another state, or other adverse factor.

(2) All applications with questionable qualifying degrees.
