

## Ohio Administrative Code Rule 4758-4-04 Examination remediation.

Effective: April 1, 2024

---

(A) After three consecutive failed attempts and before testing for a fourth time, a candidate shall complete one of the following remedial actions:

Submit a remedial action plan on a form prescribed by the board.

(B) Upon receipt of the remedial action plan, the board shall approve or amend the plan and notify the candidate.

(C) The candidate shall provide the board with proof of successful completion of the remedial action plan.

(D) Upon receipt and acceptance of proof of completion, the board will authorize the candidate to re-test.

(E) After three years from approval to take an examination, a candidate who has not passed the examination will not be able to re-test and the application will close.
