

Ohio Administrative Code

Rule 4765-18-12 EMS instructor trainer qualifications.

Effective: April 1, 2019

[Comment: For dates and availability of material incorporated by reference in this rule see rule 4765-1-03 of the Administrative Code.]

(A) An EMS instructor training program outlined in rule 4765-18-04 of the Administrative Code shall be provided under the auspice of an accredited institution and must be taught by an EMS instructor trainer appointed by the program director of the accredited institution.

(B) An accredited institution shall ensure that an EMS instructor trainer meets the following criteria:

(1) Holds a valid certificate to teach as an EMS instructor;

(2) Has held a certificate to teach, as either an EMS instructor or fire instructor for at least three years;

(3) Demonstrates effective oral and written communication skills;

(4) Has completed an instructor orientation, consisting of objectives set forth in the "Ohio Fire and EMS Instructor Curriculum."

(C) The program director of an accredited institution assumes the responsibility to select an instructor trainer based upon documented evaluation of acceptable performance review standards and compliance with this rule.

(D) The program director of an accredited institution who is an instructor trainer must have the documented evaluation of acceptable performance review standards conducted by the program director's supervisor.
